The screenshot displays the Adobe Word Cloud application interface. At the top, the title bar reads "WordCloud_v1.0.3.zip" and includes buttons for "Draw", "Stop Sharing", and a menu icon. Below the title bar is the Adobe logo and the text "WORD CLOUD". To the right of the logo are buttons for "Configure", "Download", and "About". The main content area features a discussion topic: "What engagement method is best for retention with concepts?". Below the topic is a large, colorful word cloud. The most prominent words are "delivery", "Gaming", "classroom", "video", "online", and "effective". Other visible words include "Breakout", "different", "kind", "Effectiveness", "Preparation", "EdGameCloud", "Studios", "Rooms", "takes", "needed", "attention", "virtual", "still", "set", "driven", "instructor", "participants", "case", "performance", "Polling", "Adobe", "practices", "particular", "physical", "detail", "features", "Connect", "Debrahand", and "Connect". At the bottom of the interface, there is a chat window with a list of messages: "Jacquie Beck: Video", "Jacquie Beck: Polling", and "Jacquie Beck: Adobe COnnect". Below the chat window is a text input field with the placeholder "Enter your message here" and a "Send" button. A "Sync" button is located at the bottom right of the interface.

Everyone can download the Word Cloud to save or post online.
